

## Ordination Pathways - Costs

---

Our ordination pathways are all blended learning involving individual study, residential periods and context based training. Students give 40 hours/week on Full Time context based pathways, one day of which is spent in parish. Part Time pathways are more flexible, but for guidance require 12 hours/week plus context and residential components.

Costs quoted are our course costs based on Ministry Division figures – additional grants for student maintenance etc are the responsibility of the sending dioceses. Students from non-Anglican churches need to add a £70 university fee per year. Private students need to enquire separately for our private student pathways and rates.

Please note that costs quoted are for the 2017-18 academic year and will be reassessed each September.

Course	Notes	Total Credits/Award	Cost to Diocese
3 years Part Time DipHE		240 / DipHE	Part time rate (£5950/yr)
